Dear Ms Edge

Thank so much for sending me a copy of your recently published book - "Gertrude's Brave Escape".

The story brought back memories of when my daughter's two dogs – Widget and Gizmo - were stolen from her car in the summer. We know how fortunate we were to get them back safely despite one of the dogs being still quite traumatised from the incident.

Gertrude is certainly a dog with a very *special* character and you have managed to demonstrate this throughout the entire story. The illustrations are extremely clever and captivating helping to make the tale even more magical.

I am sure that many people, young and old, will get a lot of pleasure from reading Gertrude's tale.

I take this opportunity to wish you every success with the sales of "Gertrude's Brave Escape" and your fundraising efforts on behalf of dog welfare charities.

Yours sincerely,

BRUCE FORSYTH C.B.E.
